Our PLANTATIONS

About US

China Loong Bamboo Co., Ltd. is a company belonging to Chinese Group Co., Ltd. upholds a commitment to excellence in its bamboo poles products. Like its parent company, China Loong Bamboo Co., Ltd. focuses on maintaining high-quality standards, as evidenced by their CE certification. The company operates on a principle of small profits and quick sales, ensuring rapid market development while guaranteeing product quality and exceptional after-sales service.

The bamboo poles produced by China Loong Bamboo Co., Ltd. are distinguished by their superior features: they exhibit remarkable strength, durability, and an authentic, natural appearance. These characteristics make their products stand out in the market, satisfying diverse application requirements.

Steadfast in their mission to offer the highest quality products at competitive prices, China Loong Bamboo Co., Ltd. employs advanced manufacturing techniques. Their research and development team is continuously innovating, helping the company to maintain a leading position in the market. Additionally, sustainability is a key priority, with efforts to minimize environmental impact and provide eco-friendly bamboo options.

Customer satisfaction is the cornerstone of their business philosophy. China Loong Bamboo Co., Ltd. offers excellent pre-sales and after-sales services, reflecting their dedication to client needs. Their products are shipped globally, benefiting from extensive international market experience. The company welcomes partnerships with distributors, partners, and end-users, aiming to explore collaborative opportunities and fulfill client requirements.
